

**“The Beehive” Christian Preschool
May 2014 Newsletter**

We will be spending more time outside. Please make sure to apply sunscreen on your child and put on proper footwear - no flip flops, crocs or slip on shoes.

Fall Registration

Word of mouth is our best form of advertising. If you know of someone who could benefit from “The Beehive” preschool program please encourage them to register as soon as possible.

No Juice to preschool for the remainder of the school year, water only please. The ants love to take advantage of the children’s spills.

Alphabet Party: May 28/29

We will be celebrating the completion of our phonics program with an alphabet party. If you would like to contribute a snack made out of letters please let the staff know. Some examples of this would be jello letters, pretzel letters, or cookies letters. The preschool will provide a snack of Alphagetti. **Please do not send a snack from home on these days.**

Fieldtrip to the Aquarium

The children are getting very excited about our trip to the aquarium. Please review times and what to bring and not to bring and be on time. If your child is sick that day please phone “The Beehive” and leave a message before we leave. We will only reimburse the adults/siblings if we receive a call before 9 am May 5. If there are any changes regarding parent coming or driving your child to and/or from the aquarium please let us know before the trip.

If your child is coming to the aquarium unaccompanied we will be asking other parents to be responsible for another child (please do not make arrangements with another parent yourself – staff will designate parents and children to ensure the groupings are able to remain together for the entire trip). You will find that your child will enjoy the company of a classmate.

Themes

Fish, marine life

Mother's Day
